**Directions:**

1. Identify three new learning goals based upon revisiting your self-assessment.
2. Complete the following grid for a five year plan for continuing education related to these goals. Please indicate the specific competencies each goal will address. Remember a total of 100 hours of continuing education must be earned over the next five years. Sixty hours must support your goals; 40 hours can be elective activities.
3. Send a signed copy of this form to the diocesan certification administrator with your application for renewal. Retain a copy for your records.
4. Collect documentation to validate your participation in continuing education activities.
